

# Instructions to Download your AI Activation Key

The Certified Ethical Hacker (CEH) labs use an innovative AI tool called ShellGPT. Powered by advanced natural language processing, ShellGPT enables users to interact with command-line interfaces intuitively. Whether probing network vulnerabilities or executing penetration tests, ShellGPT responds to commands in real-time, streamlining tasks and enhancing productivity. Its adaptive capabilities facilitate seamless navigation through complex systems, empowering learners to explore diverse cybersecurity scenarios with ease. AI-powered ethical hacking significantly enhances both efficiency and precision in ethical hacking engagements.

Please download your AI activation key from your respective learning platform.

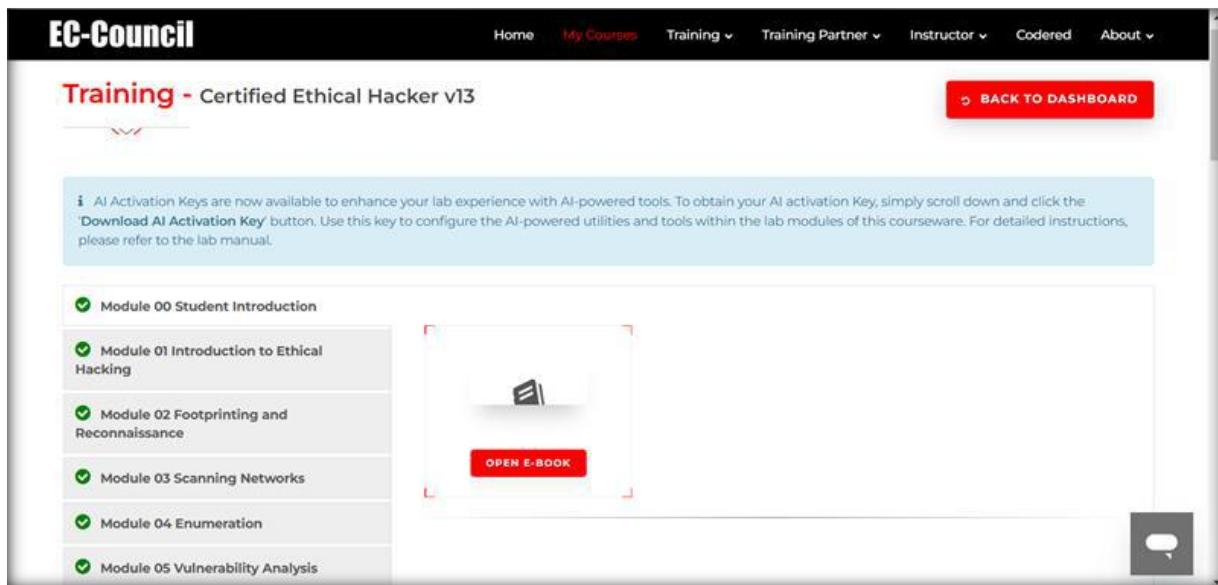

## ASPEN Portal - EC-Council Accredited Training Center (ATC) Students

1. Visit the **ASPEN** platform (<https://aspen.eccouncil.org>) and sign up or log in to your existing account.
2. Once logged in, click the **My Courses** tab at the top, and navigate to the **My Courses** section. You will see your courses listed under the **My Courses** section.
3. Under the **My Courses** section, go to the **Certified Ethical Hacker v13** course and click the **TRAINING** button under the course to access the e-Courseware, Lab Manuals, Tools, and AI Activation Key in the **Training** area.

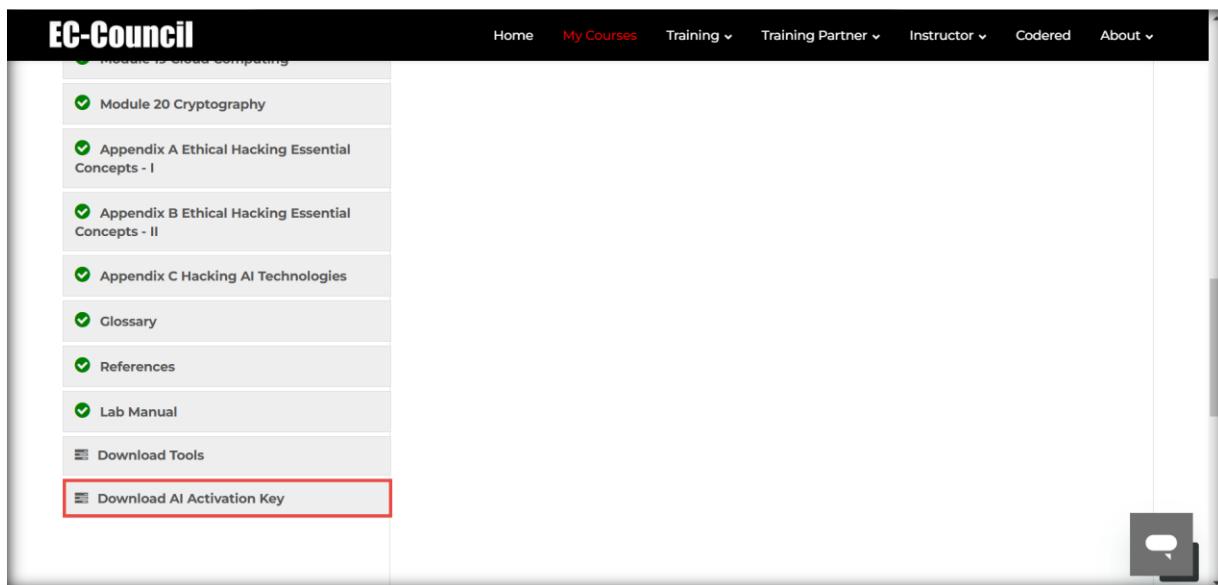

The screenshot shows the EC-Council ASPEN portal interface. At the top, there is a navigation bar with links for Home, My Courses (which is highlighted with a red border), Training, Training Partner, Instructor, Codered, and About. Below the navigation bar, the title "Certified Ethical Hacker v13" is displayed in a box. The main content area shows five stages of the course: TRAINING (Pending), EVALUATION (Pending), EXAM (Pending), and CERTIFICATE (N/A). Each stage has a corresponding icon above it. At the bottom of the course details, there is a button labeled "ECE STATUS".

4. On the **Training** page, scroll down and click **Download AI Activation Key** from the left pane.

AI Activation Keys are now available to enhance your lab experience with AI-powered tools. To obtain your AI activation Key, simply scroll down and click the 'Download AI Activation Key' button. Use this key to configure the AI-powered utilities and tools within the lab modules of this courseware. For detailed instructions, please refer to the lab manual.

5. **Download AI Activation Key** pop-up appears, click the **Copy** button to copy the key.
6. Read the instructions carefully under **AI Activation Key & Token Usage Guidelines** and save this key in a notepad. We will be using this key in each module for setting up ShellGPT.

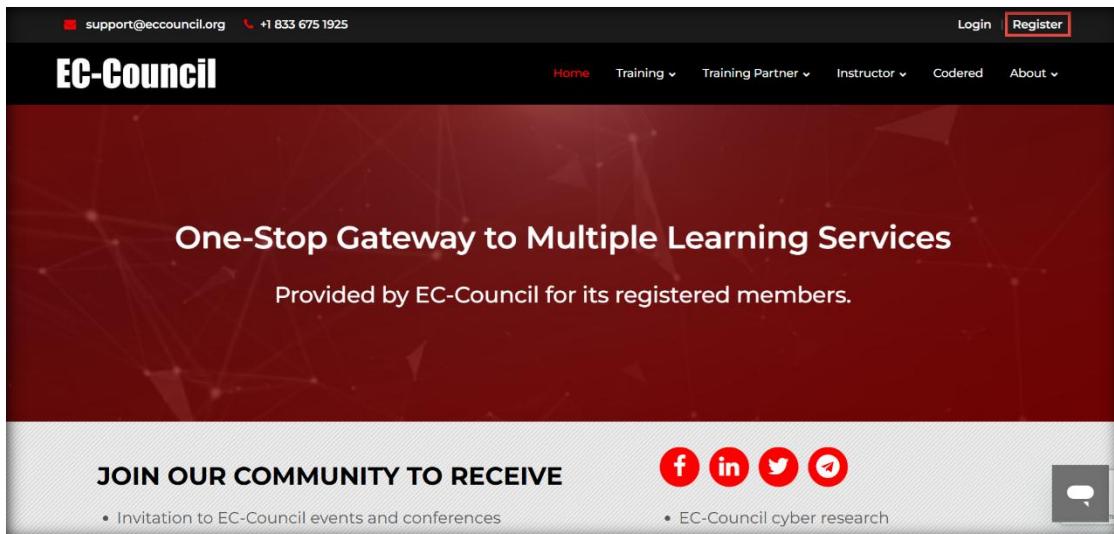

## ASPEN Portal - EC-Council Academia Students

Hello Students,

As of August 1st, 2025, EC Council Academia Series lab resources for this course include an AI Activation key. This is available within the ASPEN portal post-redemption of an ASPEN code. The following instructions will guide you to creating an ASPEN account, redeeming your ASPEN code, and locating and activating your AI Activation key for use within this lab.

### STEP 1: Account Registration

- Go to <https://aspen.eccouncil.org> and create your account prior to redeeming your Subscription Code. If you already have an ASPEN account, please proceed to **STEP 3**. Click '**Register**' to fill out the registration form. Once all required fields are entered properly, click on the '**SUBMIT**' button.

## STEP 2: Verifying Your ASPEN Account

- After registering, you will receive an email confirmation that requires you to verify your account. Follow the instructions in the email to validate and activate your EC-Council ASPEN account.

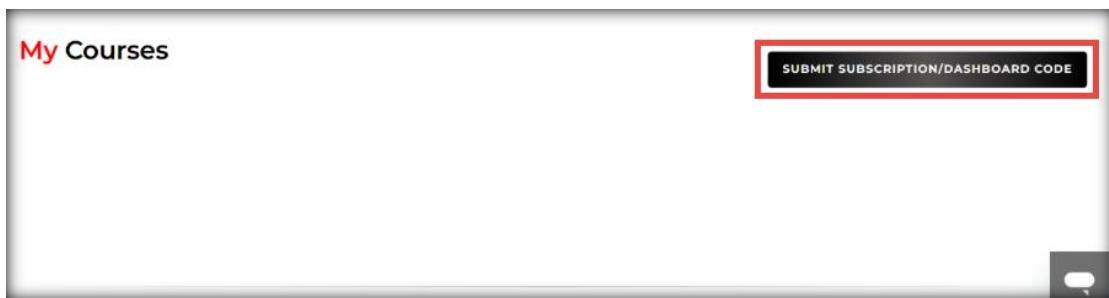

## STEP 3: Log In and Navigate to My Courses

- Log in to your account with your username and password. Click on the 'My Courses' tab at the top of the page.

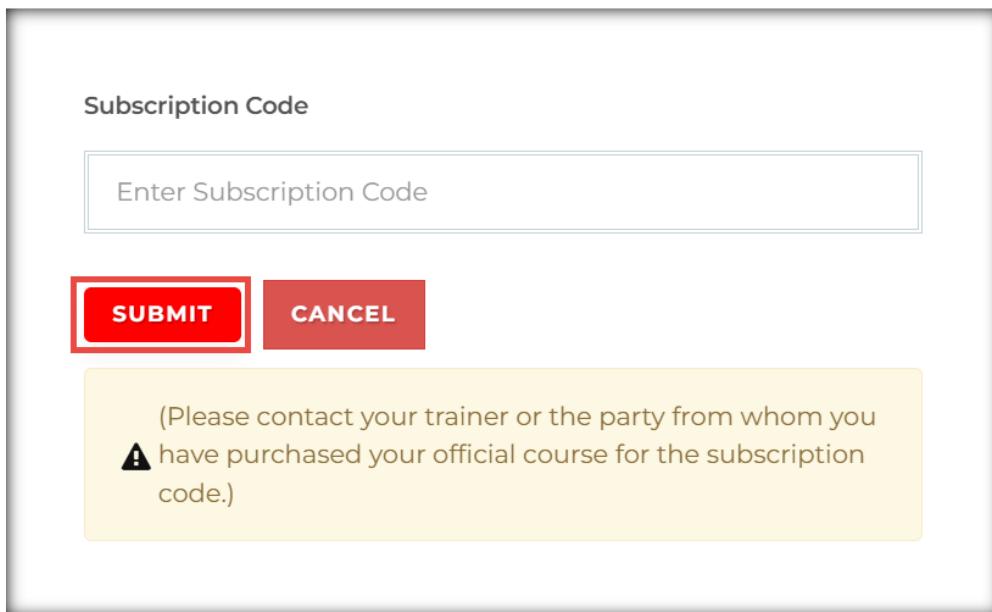

#### STEP 4: Enter Your Subscription Code

- Click on the 'SUBMIT SUBSCRIPTION/DASHBOARD CODE' button at the top right-hand side of the screen.

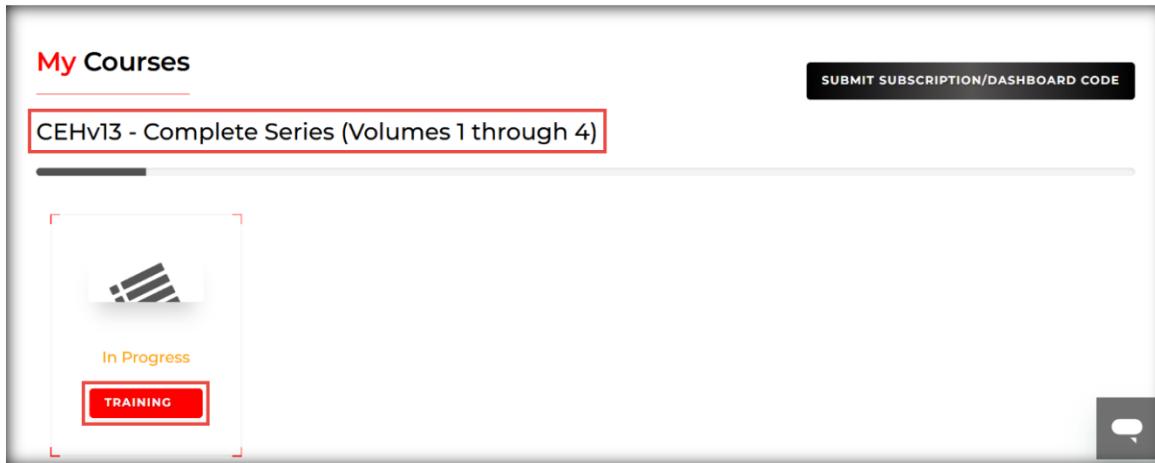

- Enter your subscription code in the 'Enter Subscription Code' field and click the 'SUBMIT' button. You will see your courses listed under the **My Courses** section.

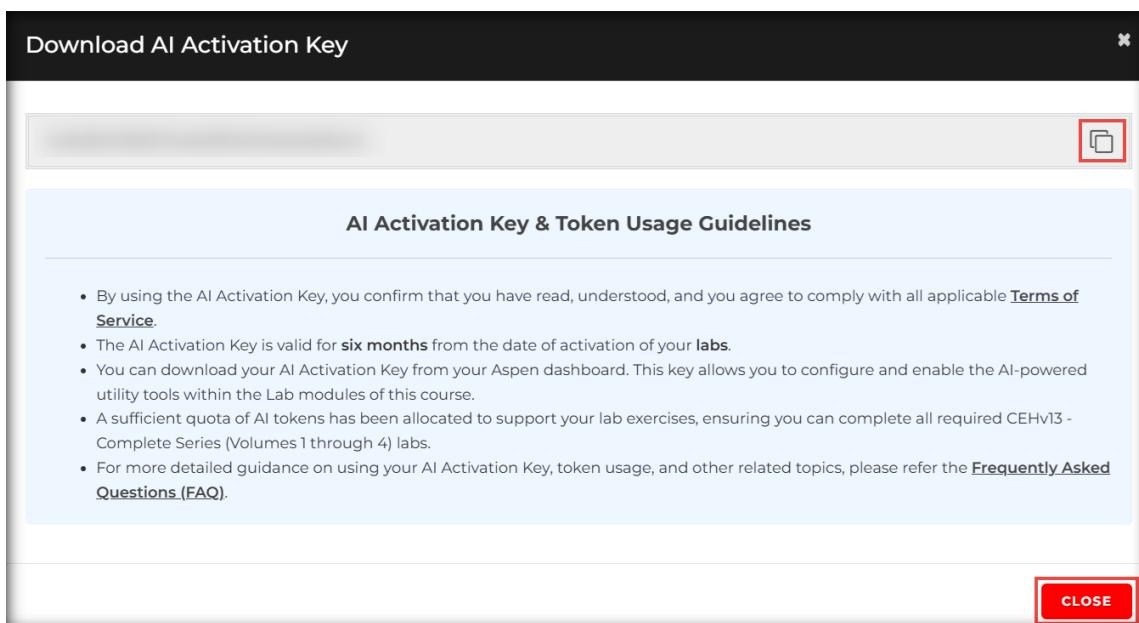

## STEP 5: Download Your AI Activation Key

- Under the **My Courses** section, go to the **CEHv13 - Complete Series (Volumes 1 through 4)** course and click the **TRAINING** button under the course to access the AI Activation Key in the **Training** area.

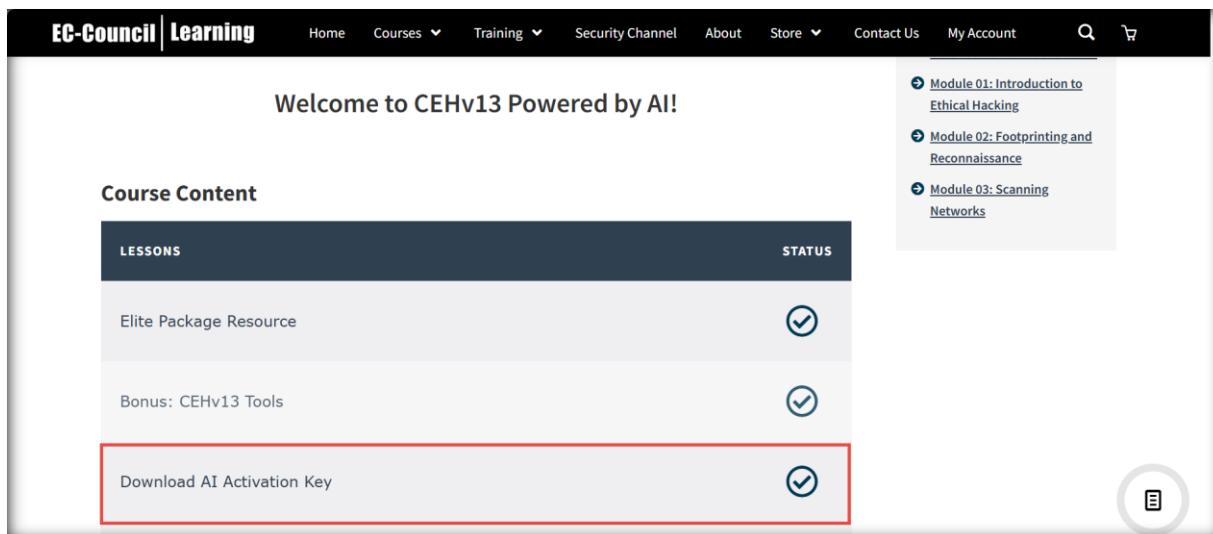

- On the **Training** page, scroll down and click **Download AI Activation Key** from the left pane.
- Download AI Activation Key** pop-up appears, click the **Copy** button to copy the key.
- Read the instructions carefully under **AI Activation Key & Token Usage Guidelines** and save this key in a notepad. We will be using this key in each module for setting up ShellGPT.

The screenshot shows the EC-Council Learning website. At the top, there is a navigation bar with links for Home, Courses, Training, Security Channel, About, Store, Contact Us, and My Account. A search bar is also present. The main content area displays an 'AI Key' field containing '8d45' with the text '3b' to its right. A red box highlights the 'COPY' button, which is located to the right of the key field. Below this, there is a 'Course Progress' section and a 'Course Navigation' sidebar. The sidebar includes links for 'Elite Package Resource', 'Download AI Activation Key', and 'Bonus: CEHv13 Tools'. At the bottom left, there is a 'Mark Complete' button.

## EC-Council Learning (ECL) Portal

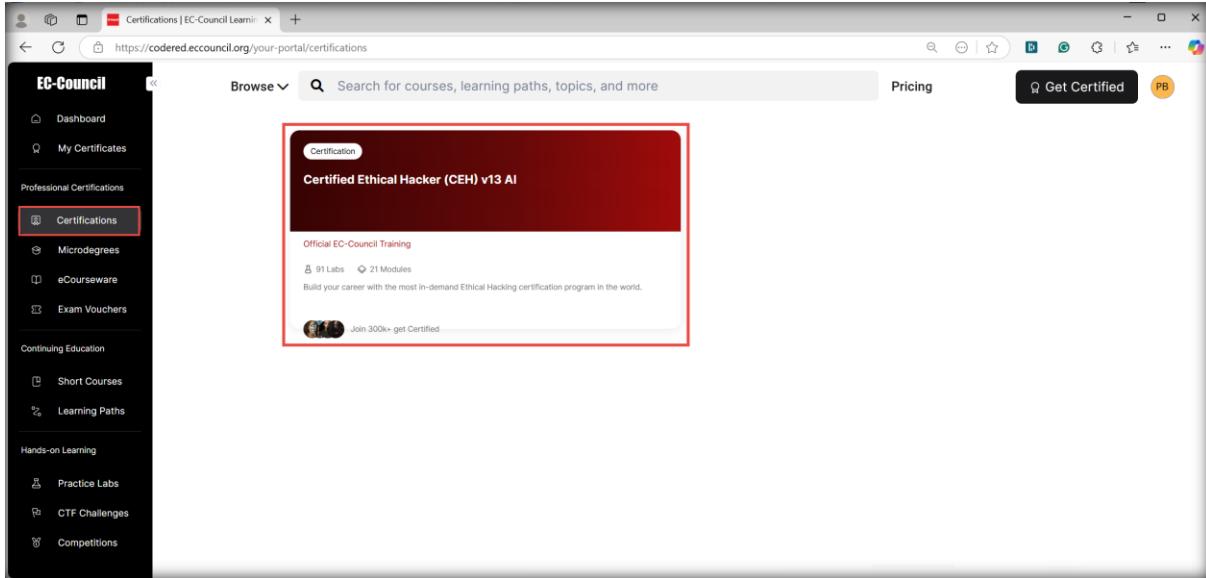

1. Visit the **EC-Council Learning (ECL)** platform (<https://codeded.eccouncil.org>) and register or log in to your existing account.

2. After logging in, you will be directed to the EC-Council Learning Dashboard.

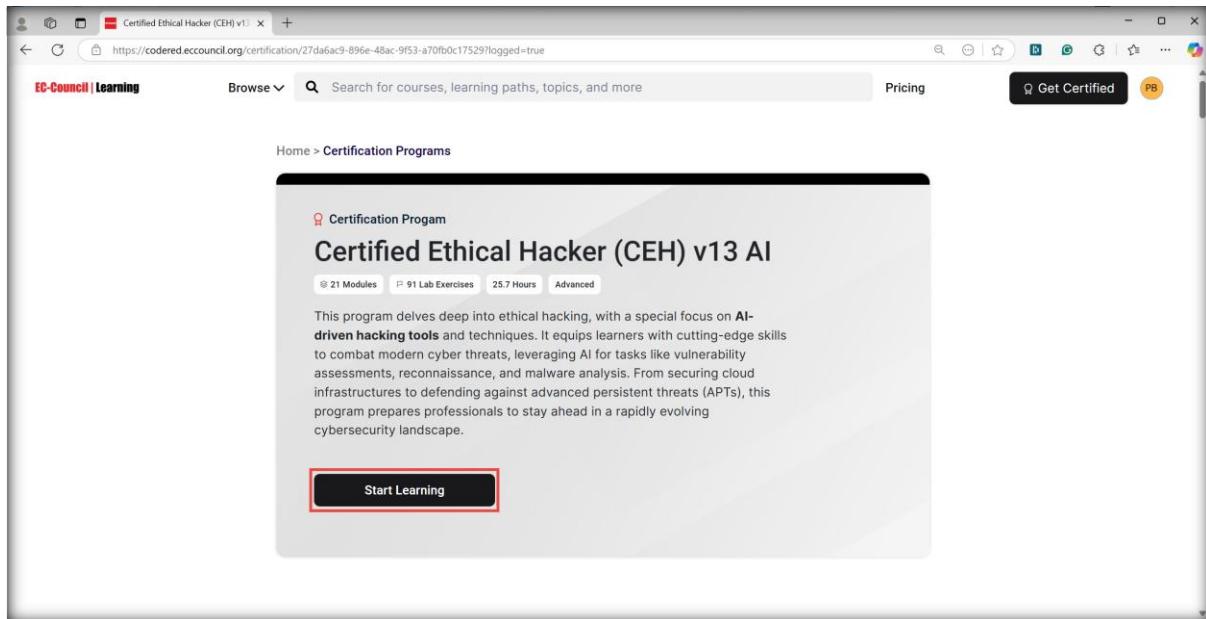

3. In the left pane, navigate to the **Professional Certifications** section and click on the **Certifications** tab to view all your enrolled courses.
4. From the right pane, click the **Certified Ethical Hacker (CEH) v13 AI** certification program to access its product page.

The screenshot shows the EC-Council Learning portal. On the left, a sidebar menu includes 'Dashboard', 'My Certificates', 'Professional Certifications' (which is expanded to show 'Certifications' with a red box around it), 'Microdegrees', 'eCourseware', 'Exam Vouchers', 'Continuing Education' (with 'Short Courses' and 'Learning Paths'), 'Hands-on Learning' (with 'Practice Labs', 'CTF Challenges', and 'Competitions'). The main content area shows a 'Certification' card for 'Certified Ethical Hacker (CEH) v13 AI'. The card includes the title, 'Official EC-Council Training', '91 Labs', '21 Modules', and a 'Join 300k+ get Certified' button. The entire 'Certifications' section of the sidebar and the 'Certified Ethical Hacker (CEH) v13 AI' card are highlighted with a red box.

5. On the **Certification Programs** page, click the **Start Learning** button under the **Certified Ethical Hacker (CEH) v13 AI** certification program to begin the CEHv13 course.

The screenshot shows the 'Certification Programs' page for the 'Certified Ethical Hacker (CEH) v13 AI' program. The page title is 'Home > Certification Programs'. The program card for 'Certified Ethical Hacker (CEH) v13 AI' is displayed, showing '21 Modules', '91 Lab Exercises', '25.7 Hours', and 'Advanced' level. A detailed description of the program is provided, mentioning AI-driven hacking tools and techniques. At the bottom of the card is a large 'Start Learning' button, which is highlighted with a red box.

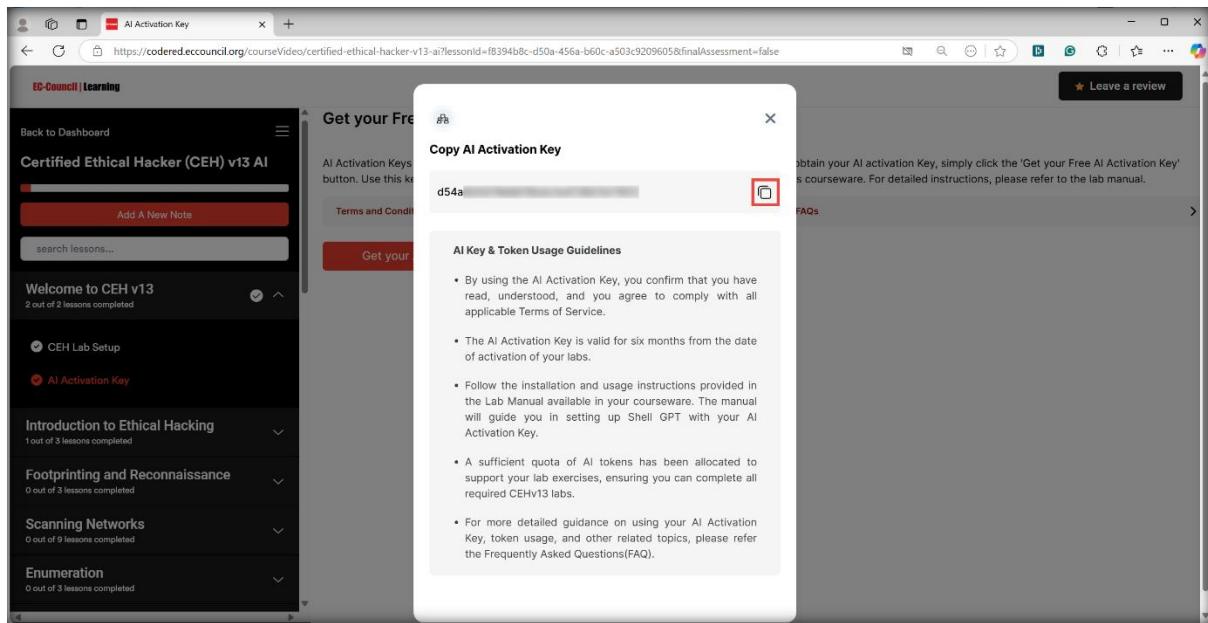

6. The CEHv13 course includes video lectures, an eBook, virtual labs, and an AI Activation Key. To access the key, on the **Certified Ethical Hacker (CEH) v13 AI** certification page, expand the **Welcome to CEH v13** section from the left pane, and click **AI Activation Key**.
7. The **Get your Free AI Activation Key** page will appear. Carefully read the instructions under the **Terms and Conditions** tab, then click the **Get your AI Activation Key** button.

The screenshot shows a web browser window for the EC-Council Learning platform. The URL is <https://coded.eccouncil.org/courseVideo/certified-ethical-hacker-v13-ai?lessonId=f8394b8c-d50a-456a-b60c-a503c9209605&finalAssessment=false>. The main content is titled 'Get your Free AI Activation Key'. It contains a sub-section 'Terms and Conditions' with a red box around the 'Get your AI Activation Key' button. The sidebar on the left shows course navigation for 'Certified Ethical Hacker (CEH) v13 AI'.

8. If your profile is not up to date, a pop-up window will appear prompting you to update it. Enter your details accurately and click the **Save & Get AI Key** button to receive your AI Activation Key.

The screenshot shows the same web browser window as the previous one, but with a modal dialog box overlaid. The dialog is titled 'First, update your profile details' and contains fields for 'First Name' (Pra), 'Last Name' (D), and 'Email' (pra@eccouncil.org). Below the fields is a 'Save & Get AI Key' button, which is also highlighted with a red box. The main content area of the page is partially visible behind the dialog.

9. The **Copy AI Activation Key** pop-up window appears. Read the instructions carefully under **AI Key & Token Usage Guidelines** and click the **COPY** button to copy the key and save the copied key in a notepad. We will be using this key in each module for setting up ShellGPT.

## ECCU LMS

1. You will receive the AI Activation Key at your registered email address. Please look out for an email from your ECCU advisor.
